Physics 365 D2L Course Shell

PHYS 365 Fall 2026 - Acoustics, Optics and Modern Physics (for students in Engineering)*

- Course outline and Lecture/Lab schedule
- Course announcements
- **Forms for missed components/conflicts**
- Grades
- Course notes (PPT slides, scanned notes, etc.)
- Practice exams and practice problems
- Formula Sheet
- **Extra notes (EN) and Openstax (OS) resources**
- Additional resources

Textbook & Achieve Code

- OpenStax “University Physics” Vols 1 and 3 and supplemental Extra Notes (posted to D2L)
- Same book & Achieve used for PHYS 259 in W2026.

- If you purchased a 2-term access code in W2026 then you will be able to use it this semester too.
  - If you re-took PHYS 259 this past summer, that will NOT have used your 2nd term of access, so you can still use your 2-term code for this course. If you run into trouble, contact the course coordinator.
- If you purchased a 1-term access code in W2026, you will need to purchase another term, or you will be able to access the homework on the computers in TFDL free of charge if you choose to do so.

AI HOMEWORK TUTOR CHATBOT ON ACHIEVE

- There is an AI tutor on Achieve that is trained on the course material.
- It is aimed at guiding you through the homework problems in a constructive way to help you learn.
- When you encounter problems understanding the homework questions, you are encouraged to try using it as a first step. It gives hints and uses Socratic questioning to support your learning.

TOP HAT (IN-CLASS ACTIVITIES)

- Register for a student account at tophat.com
- Use your @ucalgary email address
- Input your UCID in the appropriate place in your profile, or else you will not receive a grade. Inputting your name is optional but encouraged.

Note: you **DO NOT NEED TO PURCHASE ACCESS**.

Login at **tophat.com** or the **mobile app** and use the **join code** below to enroll in the Top Hat course:

PHYS 365 L02 - F2026 **Join Code: 553405**

Top Hat will be used purely for your benefit in this course. They will not be part of your course grade.

Missed course components/conflicts

1. Download the appropriate Excel form for a missed course component or time conflict and fill it out completely.
2. Submit the filled-out Excel file to the appropriate dropbox on D2L.
3. Wait for a response from the course coordinator.

Note: only submit the form in .xlsx format. If you have not received a response within one week, contact the course coordinator; do not submit the form again.
