Criteria	Non-satisfactory		Satisfactory		Exemplary	
Title page	Title page missing	0	Up to two items missing	0.25	Date, Title, Partners, TA's name, lab section listed	0.5
Objective and method	Objective and general method missing or incorrect.	0	Objective and general method not clear OR uses one term incorrectly	0.25	Objective and general methods clear. Uses terms correctly.	0.5
Method-equation	Variables incorrectly defined & incorrect units.	0	Variables incorrectly defined OR incorrect units.	0.25	All variables correctly defined, correct units.	0.5
Raw Data	Measurements incorrect (blunders) or file missing or NOT submitted on time	0	Measurements performed with some errors or omissions	0.25-0.75 (0.25 steps)	Measurements performed as instructed, with uncertainties estimated	1.0
Analysis - calculations	Derived quantities calculated incorrectly	0	Small mistakes in calculations.	0.25-1.25 (0.25 steps)	Derived quantities calculated correctly, Experiment part 1 is shorter (0.5 mark), Experiment Part 2 (1.0 mark)	1.5 (Part 1 0.5, Part 2 1.0)
Analysis - graph	Graphical analysis missing.		Slope and intercept calculated, no uncertainties.	0.5	Slope and intercept calculated with uncertainties.	1.0 (0.5 mark each)
Reporting the results and uncertainties	Uncertainty and final result rounded-off AND reported incorrectly	0	Uncertainty and final result rounded-off incorrectly OR reported incorrectly	0.25-0.75 (0.25 steps)	Uncertainty and final result rounded-off and reported correctly in analysis and conclusions	1.0
Discussion - overall	Not logical AND poorly presented	0	Not logical OR poorly presented	0.25	Logical and well presented	0.5
Discussion – sources of errors	Sources not listed or incorrect AND consistent with result.	0	One source discussed OR sources listed not consistent with result.	0.25	More than one source discussed. Sources listed consistent with result.	0.5
Discussion - comparison	Results NOT compared with & statements of agreement missing	0	Results compared with theoretical or experimental values. Statements of agreement missing or not supported	0.5 (0.25 each)	Results compared with theoretical or experimental values. Statements of agreement correct, supported by calculations.	1.0 (0.5 each)
Conclusions	Missing	0	Incomplete	0.5	Summary of results	1.0
Presentation	Poorly presented & not divided into sections	0	Reasonably presented, but not divided into sections	0.5	Well presented with define sections	1.0
Late arrival	On time	0			Less than 20 min late	-1.0
